Memoriam

Mrs. Elizabeth Woodruff

Her love for her students, her admiration for her colleagues, and her faithful service to Moss Point High School for more than 25 years give her a special place in our hearts.

Her memory lingers in the halls of MPHS and her ideals will live forever in our lives.

Queen Kay waves to the crowd at the game.

The charming Miss Kay Khayat reigned as Homecoming queen for the 1963 season, amid a week filled with pep rallies, a parade, a football game, and a Homecoming Dance. The queen and her court were introduced at the football game, and Kay was crowned on the field by the 1962 queen Patsy Browning.

Twelve floats and a number of cars made up the largest Homecoming parade in M.P.H.S. history. The Band and Tigerettes led the Victory Train followed by convertibles in which rode the queen and her court, the varsity cheerleaders and mascot.

The parade was praised as the best ever to be produced by the students of M.P.H.S.

FHA float won third place in parade.

Christmas Dance

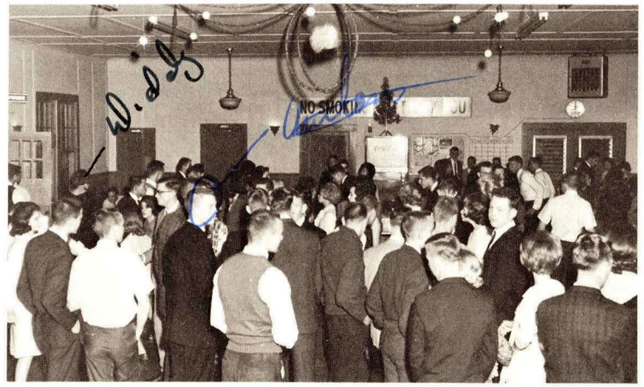
The annual Christmas Dance, sponsored by the Senior Y-Teens, was held at the Moss Point Recreation Center.

John Hassell was elected as the Y-Teen Dreamboat, while Terry Miller was chosen Hi-Y Sweetheart.

The decorations, music, and fun served as a grand beginning for the Christmas season.

The Hi-Y Sweetheart and Y-Teen Dreamboat are selected by secret ballots from the respective clubs.

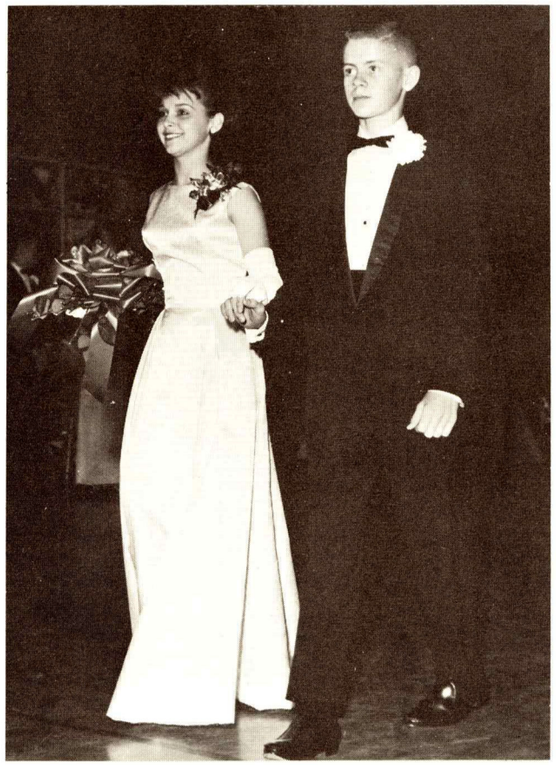
The Hi-Y Sweetheart best represents the girl devoted to the task of realizing in our common like those ideals of personal and social living to which we are committed by our faith.



The Y-Teen Dreamboat is selected as the boy who shows interest in his school and endeavors to help boys improve the content of their participation in school life.

The largest crowd ever to attend the Christmas dance was entertained by Chuck Morgan and the Tel-Stars.

The Court dances to the music of "Tara" from "Gone With the Wind."



1964 Carnival Ball

The traditional Carnival Ball was held on February 1, 1964 in the Moss Point High School Gymnasium.

The theme for this year's Ball was "Charm of the Old South." The Old South was brought to life once more through the vivid portrayal of Confederate Soldiers and Southern Belles. Drawings of cotton fields, a Mississippi River Boat, and a model of a plantation home returned everyone to the days when these things were part of the Southern way of life.

The Forest Hill High School Stage Band made the setting complete by playing "Tara," theme from "Gone With the Wind."

King Rex and Queen Illia for 1964 were Wayne Gibson and Saima Jane Breland. Archduke and Archduchess were Mike Dunn and Brenda Grierson.

Wayne and Saima Jane were crowned by the 1963 King and Queen, Ernie Wells and Carolyn Vann. They reigned over the royal court composed of kings, queens, dukes, and duchesses from grades 7-12.

Archduke Mike Dunn and Archduchess Brenda Grierson.

Juniors Present "Three Blind Mice"

"There's something very strange going on here!"

Guests dance at party given by Miss Mason.

"Three Blind Mice" is a three act comedy written by Guy Bolton and adapted for the stage by James Juller.

The play is the story of three sisters who have been raised on a chicken farm in Connecticut by a maiden aunt. Upon the death of their aunt, the sisters, Pamela, Elizabeth, and Moira Mason, decide to sell the chicken farm and begin a masquerade which nearly gets them into more trouble then they can handle.

Their plan is to pick one sister to be the "rich Miss Mason," an heiress from Foxwarren Manor in Connecticut, and spend a month in her favorite resort trying to find a rich husband. Pamela, the middle sister wins the lot, and Moira and Elizabeth act as Miss Mason's personal maid and secretary.

The Social Director of the hotel Albert DuPont aids the girls with their plan to trap Stephen Herrington, a very rich young man, into an engagement against the protest of Steve's motherly aunt, Mrs. Alice Bramber.

The plot would have worked, but a young lawyer from back home in Connecticut stepped in exposing the girls' masquerade.

Seniors Stage "Ten Little Indians"

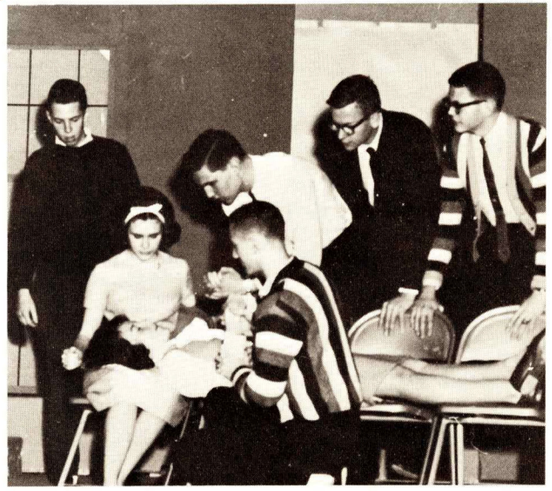
I must have my hanging, my hanging . . .

"Ten Little Indians" is a mystery play in three acts written by Agatha Christie.

The "ten little Indians" refers to the cluster of statuettes on the mantelpiece of a weird country house on an island off the coast of Devon, and to the nursery rhyme embossed above them, telling how each little Indian met his death until there was none. To the queer Byzantine mortuary eight assorted guests are invited for a weekend by a mysterious host. The guests have never met one another nor have they met their host.

While the guests are assembled for cocktails prior to going in to dinner, a voice comes out of the air, accusing everyone present, each in his turn, of murder—not the sort of murder on which a conviction can be got in the courts but a murder just the same. And while they are exchanging data on themselves and on their host (who has sent word he will not be down until the next day) one of the ten little Indian statuettes topples off the mantelpiece and breaks—and immediately thereafter the giddy Oxonian chokes to death of cyanide of potassium which someone has dropped into his drink. One down and nine to go.

The excitement begins. In a phantasmagoria of gruesome details each guest meets his death in a way similar to that of each little Indian described in the rhyme until there are only two remaining.



She's just fainted, she'll be all right.

CAST MEMBERS: Christensen, Roper, Cirlot, Roper, Jefcoat, Craven, Harvey, Pierce, Lee, Hays, Taylor. STAGE HANDS: Brown, Stevens, McDonald, Pitts, Jefcoat, Gibson, Livingston, Bader, White, Weldon, DeAngelo. *THIRD ROW:* Boykin, Livingston, Cronier, Barlow, Cooper, Hyatt.

Court dances to music of "Tweedle-De-Dee."

1963 Farmers' Ball

Each year the Y-Teens' Farmer's Ball has a sell-out crowd, and this year was one of the largest.

The court is selected on a basis of the number of service points the top twenty-five girls have earned during the year. Out of these twenty-five girls, one is selected to be Daisy Mae.

Entertainment for the court featured several sets of Midget Square dancers, a combination of student and faculty singers, and the court members entertained themselves with the final square dance of the night.

The wonderful music of the Playboys of the University of Southern Mississippi kept everyone at the gym until "lights out."

SEATED: Daisy Mae—Jeanie Fairley, Li'l Abner—Hollis Landrum. *STANDING:* Sluggo—John Williams, Archduke, Wayne Switzer, Archduchess—Janis Burke, Nancy—Lettye Ann Williams.

The Banquet takes the faculty and the students to an Oriental feast complete with chop sticks.

1963 Junior-Senior Prom

The Junior-Senior Prom is one of the main events of each school year. This year the Prom was said to be the "best yet." The Juniors certainly worked hard to please the Seniors that were soon to depart. One could tell that the Juniors had put their energies to good use.

The Prom was decorated in the theme of ORIENTAL GARDENS. The gymnasium was decorated with oriental characters, lanterns, fans, and wind chimes. One of the most beautiful pieces of decoration was the two dozen American-Beauty roses frozen in a block of ice.

Before the dancing began, both Junior and Seniors and the faculty members enjoyed a lovely banquet in the school cafeteria. The cafeteria was decorated in the same theme as the gym.

Music for this event was furnished by the Knights of Leland, Mississippi.

For Juniors—the beginning; For Seniors—the End.

Joyce Rogers Crowned Junior Miss

The lovely Miss Joyce Rogers reigned as Moss Point's Junior Miss in the Jaycees' third annual pageant. For her talent she did a song and dance act to the music of "I Am Sixteen Going on Seventeen," which also caused her to win a talent award in the state finals at Meridian.

LEFT TO RIGHT: Miss Barbara Stringer, second alternate; Miss Pat Smith, 1963 Jr. Miss; Miss Rogers; Miss Colette Livingston, first alternate; and Miss Bari Lee, third alternate.

Parade of Beauties

Valentine's Day was the date of the second annual "Parade of Beauties." The Freshman, Sophomore, Junior, Senior beauties and Moss Point High's Most Beautiful Girl were chosen from a group of 26 young ladies, nominated by their respective classes. The winners are pictured in the Feature Section. The pageant was sponsored by the Growler Staff, under the direction of Mr. Fred Cox.

Student Council Members Voice Opinions

The governing body of Moss Point High School is the Student Council. The Council governs according to the Moss Point High School Constitution rather than by self-made rules.

Members of the Student Council are elected by the student body. A president, vice-president, secretary, and treasurer are elected, along with two representatives from each class.

One of the main projects of the student Council is the adoption of our Korean orphan, Chung du Soon. This year a school carnival was held to raise the adoption fee. The funds collected at the carnival plus donations by the students made it possible to readopt Chung.

Another worth-while project of the Student Council has been the monitor system. This has made it possible for students to reach their classes more quickly than in the past.

Under the guidance of Mr. John M. Wynn, the Student Council has achieved much this term.

Beta Club Taps New Members

The National Beta Club is a non-secret, achievement-service organization for students of senior high schools. Students applying for admission must have an average of 91 or above, possess qualities of leadership and high character, and be recommended by the faculty. After becoming a member the student must maintain an average of 89.

As a service project the Beta Club operates a bookstore. This bookstore sells a variety of paperback books and has helped the students and teachers immensely.

The major goal of the Moss Point Beta Club each year is the presentation of a scholarship to its most deserving senior member. This scholarship is given on the basis of need as well as capability. The scholarship is financed with profits from the bookstore supplemented by money earned from doughnut sales.

Mrs. Margaret Wilson is the sponsor of the Beta Club, and works closely with the members to achieve their motto: "Let us lead by serving others."

Each year the group is responsible for various activities in the school as well as in the community.

Every morning throughout the school year, the Y-Teens help to start the day in the right direction by giving the morning devotional.

Shortly before Christmas vacation, it is a familiar sight to see Y-Teens with boxes of Christmas wrapping paper. The girls sell this paper to earn money for their expenses and as a service project.

Improve Christian Character

In conjunction with the Glee Club, the Y-Teens present the annual Christmas program. This year it consisted of several scenes representing the birth of Christ, while the Glee Club sang a lovely cantata that identified each scene. Each year three girls are selected by the club to attend Mid-South. Mid-South is especially designed to help girls help their particular club. The girls who attended this year were Susan Parks, Gayle Pierce, and Martha Turner.

One of the main activities of the Senior Y-Teens is sponsoring the annual Farmer's Ball.

This year the club was under the capable direction of Mrs. Lucile Hussey.

Drum Majorette
Miss Janis Burke

Under the direction of Mr. Robert Moore, the Moss Point High School band has greatly boosted the Tiger spirit this year.

Drum majorette, Janis Burke, working in conjunction with Mr. Moore and assistant director Rueben Graves led the Tiger band to many fine halftime performances.

The band not only performed during football games, but in other functions as well. The band has marched in Homecoming, Christmas, and 4-H parades. They also held Christmas and Spring concerts.

Each spring the band travels to Jackson to participate in the Mississippi Band Contest, where they are judged on inspection, sight reading, marching, concert, and the ability of the drum majorette.

Moss Point's band has certainly been a credit to our school and has proven itself worthy of bearing the name Moss Point High.

High-Stepping Twirlers Delight Crowd

The Moss Point majorettes entertained the vast crowds at the football games this year by presenting their outstanding original routines. Many hours were spent in practice. This year their instructor was Mrs. Joanne Ryder. To the delight of the student body, the majorettes appeared in stunning new mid-night blue uniforms.

Three of the majorettes, Sheila Neal, Saima Jane Breland, and Towana Brown, won first place in the group division of the Gulf Coast Twirling Competition. Saima Jane Breland won second place in the individual talent division.

Cheerleaders Chant Tigers to Victory

"On with the Tiger Spirit, Roll on Big Blue . . ." chant the cheerleaders untiringly Friday after Friday during the football season. They keep enthusiasm high among Tiger fans.

Each year the cheerleaders start practicing long before football season begins. They attend summer camps and always receive their share of honors and awards. This year the Moss Point cheerleaders claimed three third place ribbons and one second place. They were named the most improved cheerleader squad.

After the school year begins, they spend every spare moment decorating for pep rallies, Homecoming, and the ever important Goula game.

GROWLER Staff Reminisces. . . . . .

Planning and hard work are two of the main factors that account for the publication of an annual. This year the annual staff has worked to produce an annual that the students and faculty of Moss Point High School will be proud to own.

To compile such an annual, it has been the staff's duty to work during vacant class periods, in the afternoons, and many nights.

This year the staff sold consessions at the Jr. High ballgames and ads to the town merchants in order to make money. The annual staff also sponsored the Homecoming Dance and the beauty parade.

The staff launched a two-week sales campaign during which 670 annuals were sold.

Writing, Editing, Deadlines—TIGER FLASH Reports. . . . .

The TIGER FLASH serves as a medium between the students of MPHS, the administration, and the Student Council. The paper informs the students and the community of happenings in and around the school and serves as a record for the alumni.

The FLASH has efficiently served our school this year. They have kept us posted on all with their issues. The staff has introduced many new features in their columns which have been most effective.

The student body, as well as all others concerned with the school, appreciate the fine work that Miss Jonnie Hays and her staff have produced this year.

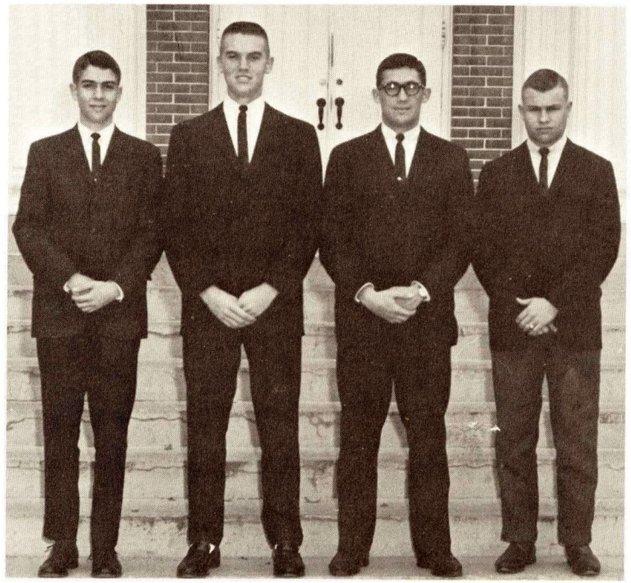
Glee Club Tours South Mississippi



MALE QUARTET: Fred Heess, Joe Bullock, John Hassell, Richard Roper.

Composed of fifty members chosen on the basis of tryouts, the Glee Club adds a musical note to life at Moss Point High School. Under the direction of Mr. Fred Cox, the group sings at various community affairs in addition to Baccalaureate Service and school assembly programs. This year the Glee Club presented two especially outstanding programs—a Christmas Cantata which is presented in conjunction with the Senior Y-teens and an operetta entitled "Little Women."

In late Spring, the singers toured South Mississippi, representing Moss Point in concerts in Picayunne and Jackson. The school bought new choir robes and rises for the tour. In order to earn money for this trip, the Glee Club conducted a sweatshirt sale. The sale was a great success.

Students, through participation in this organization, learn musical skills and receive training that will benefit them and others throughout their lives.

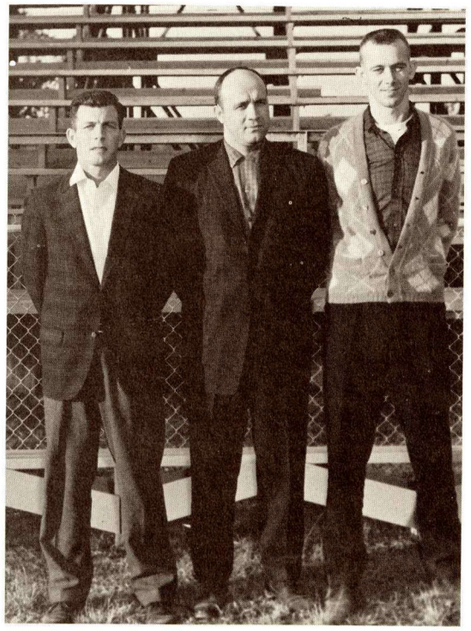
Tigers Finish Season With 5-5 Record



Bobby Holmes—head coach, John Williams—line coach, Lavelle White—end coach.

Unable to get scoring breaks, the Moss Point Tigers had to settle for five wins and five losses. Despite the five losses, the Blue-Gray team represented Moss Point very proficiently as they battled each opponent to the final minute and remained highly spirited in each game of the season.

Our team was well represented by Mike Switzer, who was chosen 1st string on the All Big-8 team. Switzer was one of three juniors in Mississippi to receive this honor. Charles Koski, a senior, was named 2nd team All Big-8. Those receiving honorable mention were Butch Jones, Wayne Gibson, Billy Owens, and Robert Wells.

A special YMBC committee selected Robert Wells as the Most Valuable Lineman, Butch Jones as the Most Valuable Back, and Charles Koski as the recipient of the Happy Harper Sportsmanship Trophy.

The senior players chose Janis Burke as the Football Queen for 1963.

Moss Point Loses Opener

On September 13, 1963, the Tigers of Moss Point traveled to Hattiesburg for the opening game of the season.

The first quarter saw little action, but on the first play of the second quarter end Robert Wells kicked a 37 yard field goal. The Moss Point Tigers held this 3—0 margin till the end of the first half.

Then the Hattiesburg team rallied, and in the third quarter they scored three tallies and led by a score of 19—3. Halfway through the final period Moss Point enjoyed a short-lived comeback when halfback Mike Switzer smashed over right tackle from four yards out. Score was 19—9. The Hattiesburg Tigers scored late in the fourth period and the game ended 26—9.

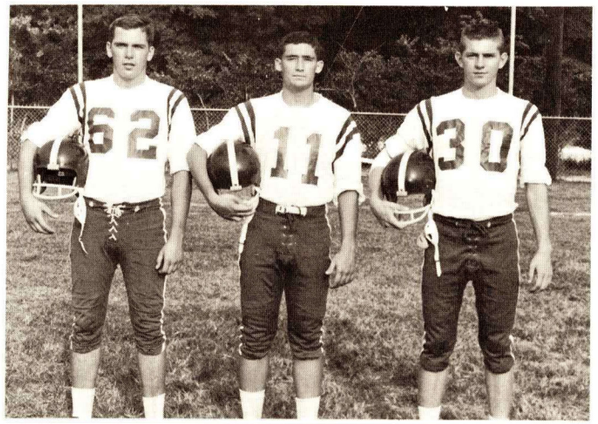
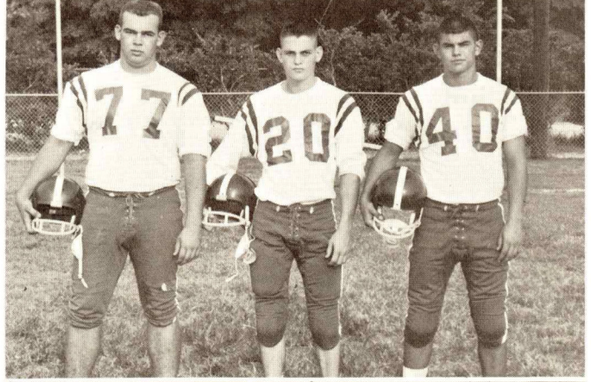
Tigers Scalp the Indians

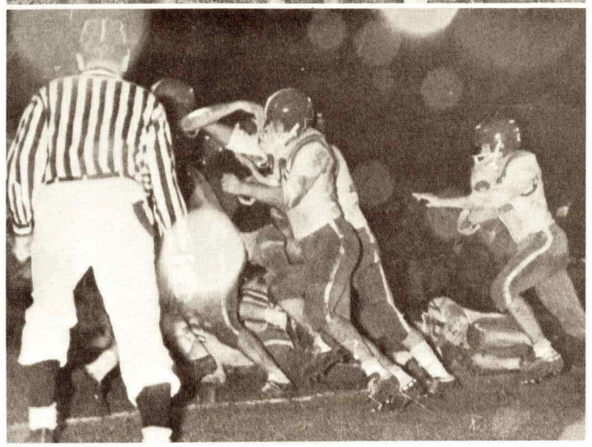
The Biloxi High School Stadium was the scene of fast-moving grid action as the Moss Point Tigers downed the Indians 39—0.

The 1st Moss Point touchdown came after Koski recovered a fumble at Biloxi's 20. Switzer scored on a 16 yard run up the middle. Wells' kick was good. The third touchdown was set up by Biloxi when they fumbled on Biloxi's 20. After long runs by Switzer and Gibson, Hassell sneaked over the one yardline. The extra point failed and the score was 20—0. Hassell completed a screen pass to Switzer, who ran 26 yards for the score, making the score 26—0 at the half.

In the third quarter Hassell scored from the 12 on an option. Wells' kick was good The final score was made by Wayne Switzer 2 yards out, making the final score 39—0.







Tornadoes Down Tigers 14-7

Laurel drops Moss Point. The Tornado touchdown set up by a Tiger fumble deep in their own territory proved to be the margin. The Tiger's only score came as speedster Mike Switzer carried it over from the 13 yardline with Wells converting.

A tremendous defensive game by tackle Louis Catrett helped keep the Laurel running gain in tact but the Tornadoes were smart enough to capitalize on the Tiger mistake and beat a hard lightning Moss Point team.

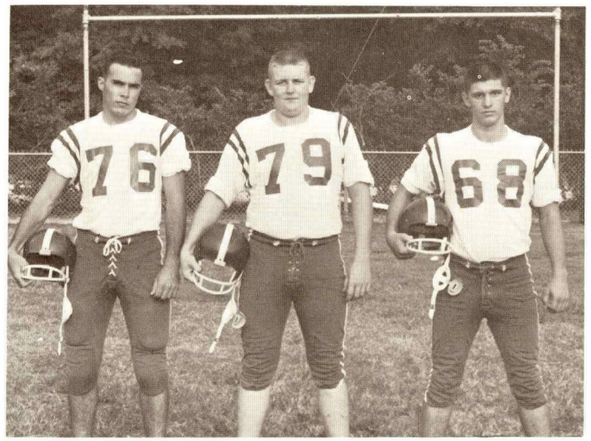
TOP LEFT: Captains; Boykin, Holified, and Breeseman. *BOTTOM LEFT:* Mike Switzer scores only touchdown from the 13 yardline.

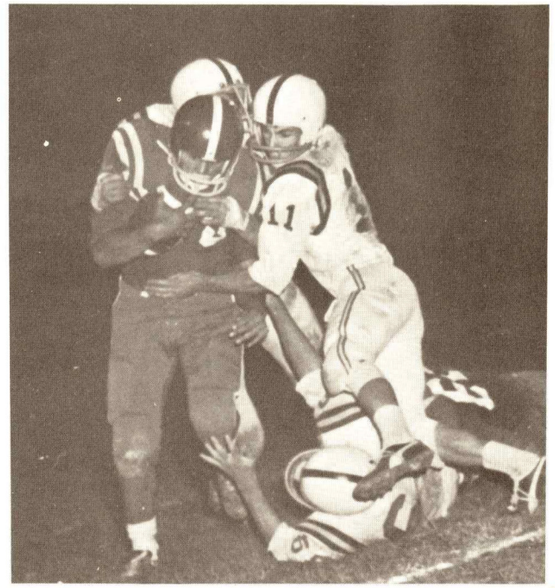
TOP RIGHT: Captains: Overman, Berry, and Watts. *BOTTOM RIGHT:* Strong Tiger defense stops Wildcats for no gain.

Tigers Roll Over Cats 19-7

The Tigers evened up their record for the season at 2 and 2 on Friday, October 4, by posting a 19—7 victory over the Columbia Wildcats before a home crowd.

The first Tiger tally came as Switzer scored in the first quarter. Wells converted and the Tigers led 7—0. Moss Point scored again in the closing seconds of the third quarter on a plunge by Gibson. The point after was missed and the score stood 13—0. The Wildcats, not to be denied, came fighting back with a fourth period aerial attact that gave them a touchdown. But the stronger Tiger team came back with an exciting 70 yard run and touchdown for Switzer, that was nulified by a penalty. Four plays later Jones scored the final touchdown. A bad snap again failed Well's extra point attempt.





Bresemann gains yardage against Picayune.

Tigers Pound Picayune in Homecoming Tilt

The Tigers rolled to a 13—3 Big 8 victory over Picayune before a capacity Homecoming crowd at Dantzler Field.

The tremendous defensive play by the Tigers kept Picayune contained and the best the Tide could do was kick a second period field goal.

Offensively the combination of Jones to Adkison provided the big punch for the Tigers. David Bresemann carried the brunt of the running attack. The first score came on a 32 yard pass play from Jones to Adkison, Wells kicked the point after touchdown. The first half ended with the Tigers ahead 7—3.

The halftime show put on by the Moss Point High School Band and an excellent presentation by the Tigerettes lent for a highly successful homecoming event which saw Miss Kay Khayat crowned as Queen.

Moss Point came on strong in the third quarter taking the kickoff and moving the ball to the Picayune 10, where Jones again hit Adkinson in the end zone for the six points. The conversion attempt by Wells was blocked but the Tigers led 13—3. In the fourth period Moss Point threatened to score again but the gun sounded.

Tigers Lose Thriller to Brookhaven

The Tigers fell 7—6 at Brookhaven as time ran out for the Tigers with the ball resting at the goal line. On a third and goal situation quarterback Jones fumbled, but quickly recovered with time running out. Brookhaven took too long getting back on sides and the Tigers apparently pushed over the winning score as the gun sounded, but it was nulified by the officials.

Strong Moss Point defense held the Panthers in check most of the night. The lone Panther score came on a 79 yard run back of a long Wells' punt. The Tigers took the ensuing kick off and moved down field to score in 11 plays. The second half then ended with the Panthers leading 7—6. In the second half there was no serious scoring threats until the final minute of play.

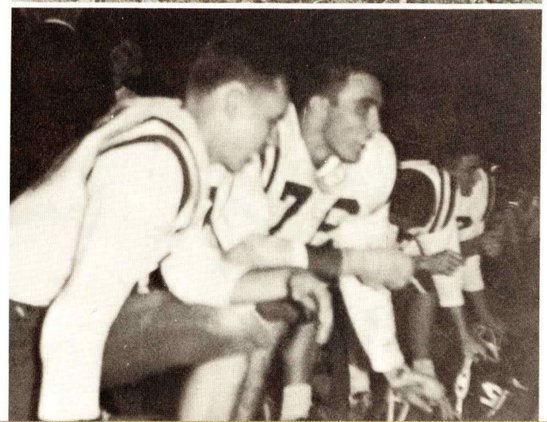
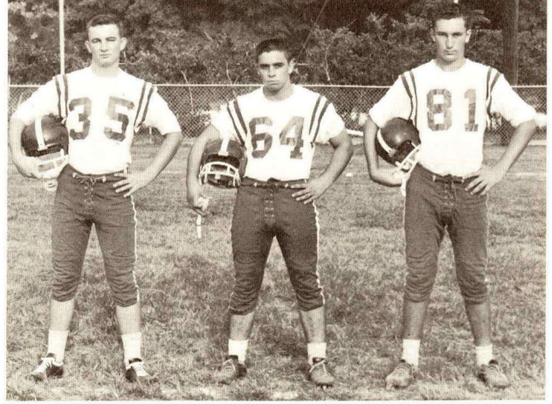
Provine Topples Moss Point

The Moss Point Tigers dropped their October 25 contest to the Provine Rams of Jackson by a score of 12—6. The Tigers played staunch defensive football but the offense was battled up with a penalty each time Moss Point appeared to be moving well against the Ram squad.

Provine scored about midway through the first period. The attempt for the extra point failed and the Rams led 6—0. The Tigers came on strong in the latter part of this quarter and their drive was climaxed when quarterback Jones hit end Adkison in the end zone for 6 points. The extra point attempt failed, and the score stood 6—6. Provine's final score came early in the 4th quarter, but the extra point was blocked and the Rams again let by a margin of 6 points. Moss Point was plagued with penalties all night, as they received 8 to Provine's 1. It was a heartbreak for the Tiger fans when the game ended with a score of 12—6.





Gulfport Drops Tigers

The outclassed Tigers fought gamely against the number one team in the state, but was unable to cope with the fine running and aerial attack of the Gulfport Commodores. The Tigers deepest penetration into Gulfport territory was to the 23 yardline where an interception, one of five picked off by the Commodores ended the drive. Gulfport tallied twice in the first period, once in the second, and once in the fourth for their 28 points.

CAPTAINS: Gibson, Tillman, and Huff.

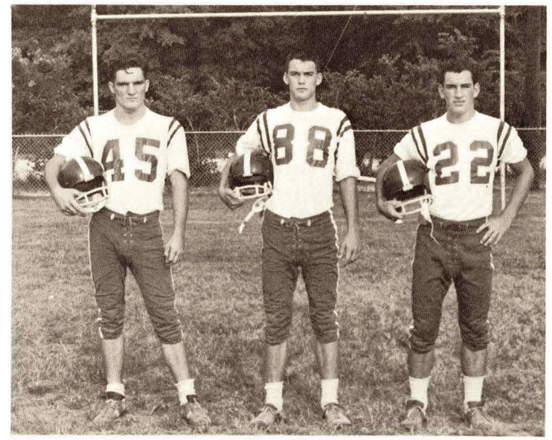
Switzer Paces Tigers To Victory

Halfback Mike Switzer led the Moss Point Tigers to a 41—6 victory over the St. Stanislaus Rockachaws. Switzer scored a total of 24 points for the Tiger team. The other two tallies were picked up by quarterbacks Gill and Hassell. The brilliant defensive work of the Moss Point team held the Rockachaws to 6 points.

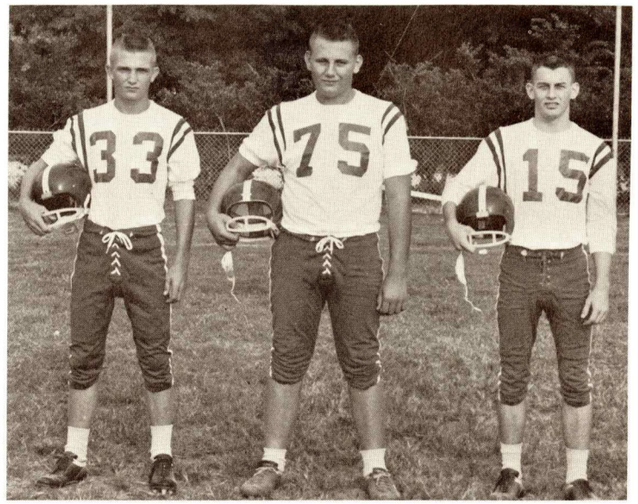
Switzer picked up the first 4 touchdowns of the game. All but one of Well's conversion attempts were good and Moss Point took an early lead of 27—0.

In the third period Ernie Wells intercepted a Stanislaus pass and set up another Tiger tally. Gill sneaked over from the one and with Well's extra point the score read 34—0.

The Rockachaws scored early in the final quarter and the extra point was no good. Moss Point came back with only seconds left in the game to score when Hassell sneaked over from one yard out. Wells added the extra point and the game ended 41—6.



Tigers Defeat Panthers in Traditional Rivalry 17-4



CAPTAINS: Cochran, Beckman, and Gill.

The Tigers ended a five year losing streak against the Pascagoula Panthers by a score of 17—14.

The rain-soaked crowd sat through one of the most exciting games in the history of Moss Point High School.

Pascagoula won the toss and elected to receive. Later in the first quarter the Panthers could not move the ball and were forced to kick into a strong gusty wind. Three carries by Mike Switzer set up a score 8 yards out by Breseman. Wells toed the extra point.

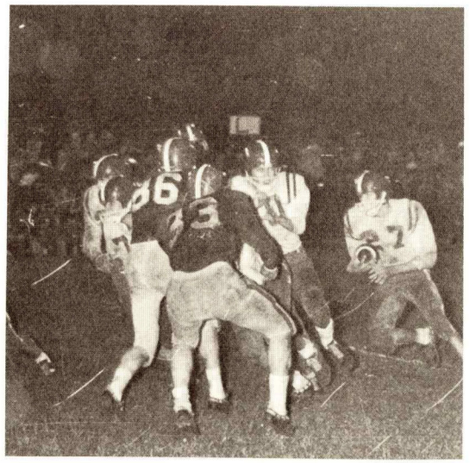
The second quarter was a battle of defensive powers.

The Tigers returned the second half kick-off to the six, but fumbled. Three plays later Pascagoula crashed over from the one; the extra point was added, and the score was tied 7—7.

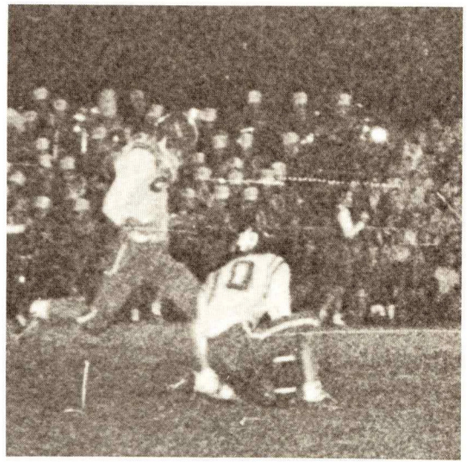
After the kick-off the Tigers were unable to move the ball, and were forced to punt. The kick was blocked and the Panthers took over on the 30. The Panthers scored and led by a 14—7 margin.

Switzer returned the kick-off to the 45. Breseman and Switzer moved the ball to the Pascagoula 18. Switzer then smashed over right tackle for the touchdown. Wells' extra point notted the score 14—14.

Unable to move the ball, the Panthers punted. The Tigers moved the ball to the Pascagoula 10. On a fourth and nine situation, Wells booted a 27 yard field goal with twenty-eight seconds remaining.



Mike Switzer moves around left end for the tieing score.



Wells' boot gives Tigers Victory.

CLASSES

Four short years ago, we as lowly Freshmen, ascended the first rung of the ladder. Now as Seniors, we are completing the fourth step of the climb and are leaving Moss Point High School. Standing on this final step of our journey, we feel slightly unsure of ourselves when we realize that we are returning once again to the ranks of Freshmen in a new world.

Because we have worked and played in these halls, we leave behind a portion of our hearts, but we carry with us wonderful memories of class plays, Jr-Sr. Proms, football games, pep rallies and daily school activities.

Looking back upon these past four years, we feel proud to have been a part of Moss Point High School.

Optimistically, we look forward to the future, for though leaving, we take with us the ideals instilled in us by daily contact with dedicated teachers, counselors, and all who are part of this school.

Senior class officers are: President Andy Christensen, Vice President Mark Taylor, Secretary-Treasurer Barri Lee, Reporter Craig Jefcoat.

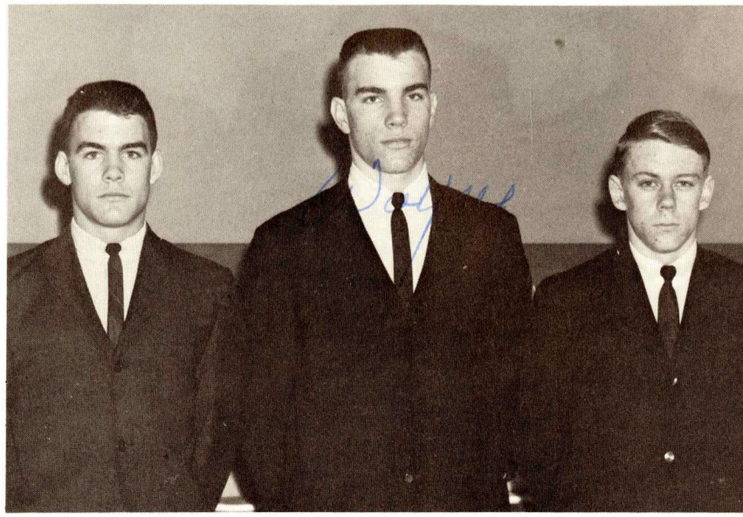
Junior Favorites

Saima Jane Breland
John McInnis

Here we stand on the next-to-last rung of the ladder, each day taking one more step toward the life of a senior. Ascending from the meager lot of sophomores, we become "Jolly Juniors." The year, colored with the Junior-Senior Prom and class rings, brings new activities and realizations. College, entrance exams, and achievement tests loom in the near future. Deserving members of our class are inducted into the Beta Club. As new friendships, studies, and extra-curricular activities add the finishing touches, we complete our third step.



Junior class officers are: President John McInnis, Vice President Ray Campbell, Secretary-Treasurer Barbara Caver, Reporter Wayne Adkison.

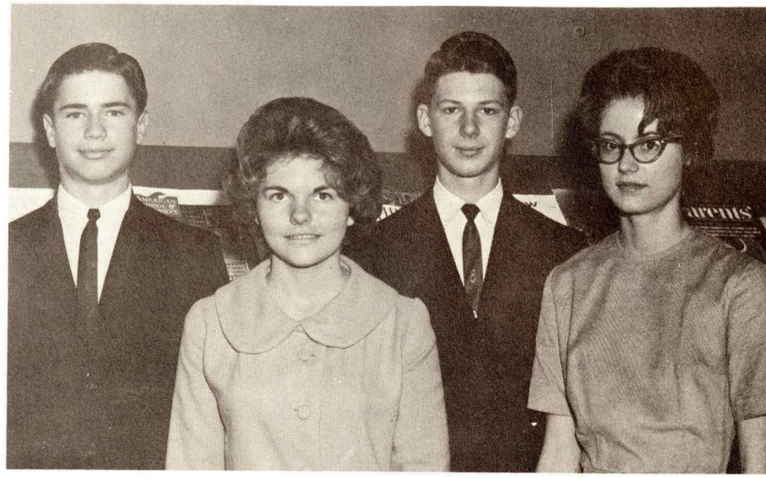
Well, here we are one step closer to the top of the ladder. The silly Freshmen of only last year have taken on a more distinguished look. As the largest class ever to fill the crowded halls of MPHS, we proudly accept our responsibility as one of the lower classes looking forward to the future.



Sophomore class officers are: President Bruce Smythe, V-President Walter Lander, Secretary-Treas. Pat McPhearson, Reporter Kay Hankins.

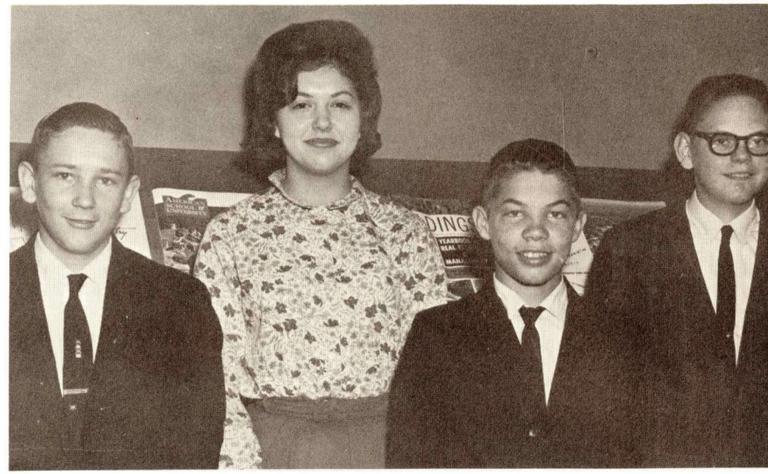
Standing on the bottom rung of the ladder, we begin the ascent that will take us through high school. Being no different than previous Freshmen we embark on this journey up the ladder with mixed feelings of anticipation and dread. Will we be able to hold our own among the upper classmen? This question is ever in our minds. However, our qualms are soon turned into self-assuredness as we cheer our fine Junior High Football Team to victory and are made a part of long-awaited activities.



Freshman class officers are: President Richard Huff, V-President Chester Harvey, Secretary-Treas. Judy Brumfield, Reporter Mackie Dryden.

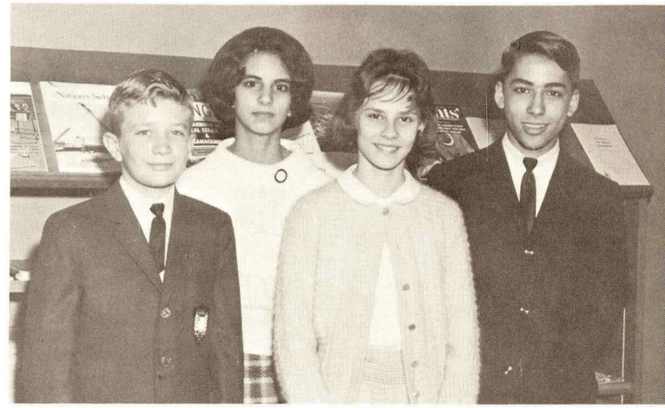
We finally made it to the eighth grade and have now arrived at the threshold of an entirely new and different world. We are the "middies" belonging neither to the lower ranks of grade school nor to the upper ranks of high school. We are quite sure we know much more than we have ever known before or will ever know in the future. This year provides many opportunities of which we will take advantage in order to prepare ourselves for next year when we will be Freshmen in high school.



Eighth Grade class officers are: President Mike Khayat, V-President James Fairley, Secretary-Treas. Amelia Turner, Reporter Betsy Snyder.

In Memoriam

David Bresemann
Andrew Dunn
Tommy Huff

There is no death! The stars go down
To rise upon some other shore,
And bright in heaven's jeweled crown
They shine forevermore.

There is no death! Although we grieve
When beautiful, familiar forms
That we have learned to love are torn
From our embracing arms.

They are not dead! They have but passed
Beyond the mists that blind us here
Into the new and larger life
Of that serener sphere.

They have but dropped their robe of clay
To put their shining raiment on;
They have not wandered far away
They are not "lost" or "gone."

And ever near us, though unseen,
The dear, immortal spirits tread.
For all the boundless universe
Is Life . . . there are no dead.

. . . And That's Not All

We, the members of the 1964 Growler staff, wish to summarize our accounts on this, the night of our last, very last deadline. Although this block of copy is under the influence of 4 people who are quite hysterically tired, we want you to realize that all of this information is entirely and positively true.

In the course of completing this book we used 63 rubber bands, 4 worn out pens, 1 orange lead pencil, 8 stencils, 7 typewriter ribbons, 91 cokes a piece, 1 bucket of ice, 7 dozen cookies, 6 boxes of crackers, 3 boxes of M.P.H.S. stationery, 2 barrels of elbow grease, and 144 pages of copy paper.

We acquired 1 slashed wrist, 1 girl locked out of her car, 1 mutilated little toe, and 2 parking tickets at different times. We collected 4 cases of empty drink bottles, carried 32 typewriters up to the journalism room and back again, and emptied our trash can 274 times. We received 5 long distance phone calls, made 127 local phone calls, and 3 moose calls at 2:00 AM.

In order to survive in an unheated room in 20 degree weather we consumed 13 pots of disliked black coffee, and 2 bottles of St. Joseph aspirins.

We bawled 3 times, sobbed twice, and made absolute nuts out of ourselves by laughing.

Believe us, if you have any complaints or criticisms after all this,

Tuff!

David,
You are an outstanding person with a real brainy head on your shoulders. You're doing a fine job so keep up the good work in Beta Club!
